**Re: ET Docket No. 98-156, Certification of Equipment in the 24.05-24.25 GHz  
Band  
*Ex parte Communication***

Dear Ms. Salas:

On behalf of Telenetics Corp., and pursuant to Section 1.1206(b)(2) of the Commission's Rules, I am filing this notice electronically to report an oral *ex parte* communication in the above-referenced docket.\*

On Friday, September 28, I called Neal McNeil of the Commission staff to respond to a question Mr. McNeil had asked several days earlier. I told Mr. McNeil that neither Telenetics nor another client of this firm interested in the proceeding objected to the Commission's applying the emissions limits specified in Section 15.205 to the harmonics of transmitters operating under the proposed rules.

If there are any questions about this filing, please call me at the number above.

Respectfully submitted,

Mitchell Lazarus  
Counsel for Telenetics Corp.

cc: Mr. Neil McNeil
